"With the professional help from SKED, our company was given the chance to go to the next level of success. The friendly help and advice was a God send in our opinion. Thanks for the help!"

Chris Hatton
Owner
Hattons Heating and Cooling

Hattons Heating and Cooling has been serving East Kentucky homeowners and businesses' HVAC needs for six years. The family owned business offers all of the expertise of a larger business with the personalized care only a locally owned company can boast. When Chris Hatton, a 17-year Master HVAC contractor, needed a specialized piece of equipment to comply with state code, he turned to SKED to help finance it and provide some technical assistance computer software to keep the company growing.
